General Terms and Conditions

This website is hosted by the OECD Directorate for Science, Technology and Industry. It is responsible for the content of this site. The information published on this website have not been reviewed by the Organisation and do not necessarily represent the official views of the Organisation or of the governments of its member countries.

By making use of this website, you are explicitly declaring that you agree to the following general terms and conditions:

Intellectual Property Rights

The information content of this site can be freely used as such for non-commercial purposes, on condition that OECD is identified as the original author. No rights may be derived from the content of these information, however. For uses other than that stated above, please contact stan.contact@oecd.org

Limitation of Liability

The directorate aims to achieve current and reliable indicators on this website. Despite the large degree of attention we put into the data compilation on this site, we cannot guarantee that the information is always correct or complete. If the information provided contains inaccuracies, the directorate will make every effort to rectify this as quickly as possible.

The directorate cannot be held liable, however, for direct or indirect loss occurring as a result of the information on this site. Please notify the directorate of any inaccuracies or incomplete information: stan.contact@oecd.org

The content of this site can be amended, changed or supplemented at any time without notification or announcement. The directorate does not provide any guarantee of the proper operation of the website and cannot be held liable in any way for any poor operation or temporary nonavailability of the website, or for any form of loss, direct or indirect, which may ensue from access to or use of the website, including all losses, work interruptions, damage to programs or other data on the computer system, to equipment, software or other property of the user.

Maps and Territories

This website and any map included herein are without prejudice to the status of or sovereignty over any territory, to the delimitation of international frontiers and boundaries and to the name of any territory, city or area.

Information on the data for Israel appearing in OECD documents and publications

The statistical data for Israel are supplied by and under the responsibility of the relevant Israeli authorities. The use of such data by the OECD is without prejudice to the status of the Golan Heights, East Jerusalem and Israeli settlements in the West Bank under the terms of international law.

Information by Turkey on the data for Cyprus appearing in OECD documents and publications

The information in this document with reference to “Cyprus” relates to the southern part of the Island. There is no single authority representing both Turkish and Greek Cypriot people on the Island. Turkey recognises the Turkish Republic of Northern Cyprus (TRNC). Until a lasting and equitable solution is found within the context of the United Nations, Turkey shall preserve its position concerning the “Cyprus issue”.

Information by all the European Union MemberStates of the OECD and the European Union on the data for Cyprus appearing in OECD documents and publications

The Republic of Cyprus is recognised by all members of the United Nations with the exception of Turkey. The information in this document relates to the area under the effective control of the Government of the Republic of Cyprus.

Information by the European Union in referring to Kosovo

This designation is without prejudice to positions on status, and is in line with United Nations Security Council Resolution 1244/99 and the Opinion of the International Court of Justice on Kosovo’s declaration of independence.
